THE MYSTIC

Celebrity Clairvoyant Valentin Borissov is one of the top Psychic Consultants in London and he offers a wide variety of ancient and modern spiritual techniques, including astrology, numerology, Tarot card Readings, photography analysis, Crystals & Runes interpretation to help individuals and professional businesspeople make the right decisions and to solve dilemmas.

Born with an exceptional gift of clairvoyance, he developed his psychic abilities since early childhood, when he was able to amaze people with his accurate predictions about the future, including foreseeing some important events in the world of politics and the Arts.

Growing up in Sofia, he studied to become a concert pianist

before going to Vienna University, where he studied literature. Recognised by European Royal families and worldwide pop stars, politicians and his hundreds of regular clients, who have listened to his live BBC Radio London phone-in shows. His latest client is TV celebrity Liz Fuller. (*pic above.*)

His preference is for face-to-face consultations with individual clients for confidential readings about their future – from health and personal problems to important business decisions.
