And now for something completely different.....one of the more unusual contributors to SENSUAL PLEASURES is VALENTIN BORISSOV, the celebrity psychic. I firmly believe that we should all be healthy mentally and emotionally as well as physically and that is where VALENTIN comes in, soothing our fears and predicting what we can and cannot achieve in our lives. Originally from Bulgaria VALENTIN has a rare and special psychic gift and is much in demand in London society as well as in Monaco where he consults within the Royal circle. Serious business men and women take their questions and problems to VALENTIN, who works mainly with Tarot cards and I have to admit he has always been unerringly and frighteningly accurate for me personally. Ring him on his business mobile: 07940 475 305
